

CURRICULUM VITAE

Name and Surname: Assist. Prof. **RADE INJAC**, Ph.D., M. Pharm., R.Ph.

Date and place of birth: 17. November 1978, Zrenjanin, Republic of Serbia

Nationality: Serbian

Citizenships (dual): Serbian and Slovenian

Address (Serbia): Ruže Šulman 49, 23000 Zrenjanin, R. Serbia

Address (Slovenia): Linhartova 9, 1000 Ljubljana, R. Slovenia

Address (Germany): Mariannenstrasse 5, 80538 Munich, Germany

Phone (home): +49(0)8999932889

Self-phone (Slo:private): +386(0)41 964462

Self-phone (DE:private): +49(0)176 72587640

Self-phone (work): +49(0)172 2803946

Mother tongue: Serbian

Languages: English (BEC Vantage), German (basic), Croatian, Slovenian, Bosnian

Driving license: B category

Education:

- Primary school: Zrenjanin, Serbia (1985-1993)
- Secondary school: Zrenjanin, Serbia (1993-1997)
- Undergraduate program: Faculty of Pharmacy, University of Belgrade (1997-2003)
- National pharma license: Ministry of Health, Republic of Serbia (2004)
- Postgraduate program: Master of science, Faculty of Pharmacy, University of Ljubljana (2003-2005)
- Postgraduate program: Doctor of science, Faculty of Pharmacy, University of Ljubljana (2005-2008)
- Postgraduate program: Specialization (Drug control), Faculty of Pharmacy, University of Ljubljana (2009-)

Employment:

2003/2004	Pharmacist, public pharmacy "Romania", Belgrade, Serbia
2004/2007	Part time Assistant at the Medical Faculty, University of Novi Sad, Serbia
2006/2007	Researcher at the University of Novi Sad (Ministry of Science and Environmental Protection, Republic of Serbia, Grant No. 142076)
2007/2008	Researcher – Development centre Ljubljana, Drug formulation, Lek Pharmaceuticals, Sandoz group
2008/2012	Project manager for FDF projects, Development centre Ljubljana, Lek Pharmaceuticals, Sandoz group (100%)
2012/2013	Project manager for FDF projects, Development centre Rudolstadt, Aeropharm, Sandoz group (100%)
2010/2012	Researcher/Teacher at the University of Ljubljana (Ministry of Science – National project) (additional 10%)
2013/...	Global project manager, Sandoz International, Holzkirchen, Sandoz group (100%)

Elections:

2005/2009	part time Training Assistant (University of Novi Sad, Serbia)
2010/2015	Assistant Professor (University of Ljubljana, Slovenia)

Pedagogical work:

2004/2007	Teaching of Pharmaceutical Technology and Biopharmacy (practical training) at the undergraduate course, Serbia, Novi Sad
2010/2014	Supervisor of diploma and master thesis, Pharmaceutical biology department (theoretical and practical research) at the undergraduate and post graduate course, Slovenia, Ljubljana
2011-2014	National research project – international team member and supervisor – Project No 172041 University of Belgrade, Serbia
2011-2014	National research project – international team member and supervisor – Project No 45005 Institute Vinca, Belgrade, Serbia

Bibliography:

- 44 articles in international scientific journals with Impact Factor
- 4 published scientific conference contribution
- over 30 published scientific conference contribution abstract
- 4 independent scientific component parts or a chapters in a monograph
- 1 book editor: The analysis of pharmacologically active compounds in biomolecules in real samples (2009)
- 6 patent applications
- 5 published professional conference contribution (invited lecture)
- Citations: 577 (clean citations 442 – January 2015)

International project management:

- 34 internal Lek/Sandoz projects (injectable, infusion, tablets, capsules, nasal sprays, ointments, creams, lotions, liquid suspensions) - as a Local Project Manager
- 8 internal Aeropharm/Sandoz (dry powder inhaler and metered dose inhalers) - as a Local Project Manager
- 3 first to file projects for US (one already marketed)
- Set up for Sandoz development for Mexican scope (2009-2012)
- Set up development process for nasal sprays (2008-2012)
- Leading interactions and negotiations with medical agencies
 - ❖ EMA (2012) – referral case (product is successfully launched in EU afterwards – Mometasone furoate nasal spray)
 - ❖ ANVISA (2012 and 2014) – three negotiation meetings with authorities for requirements alignment connected to nasal sprays and inhalation products – 2 successful submissions afterwards
 - ❖ PMDA (2012) – successful negotiation meeting with Japanese authorities for inhalation products development requirements
- 2013-2015 - Leading ComOps/development interphase for LATAM countries with all development centers (focus on MX and BR) as Global Project Manager
- 2013-2015 – Leading global/development interactions for 3 different development centers (German, Austrian and US site) as Global Project Manager
- 2013-2015 – Leading ComOps/development interphase for respiratory projects (inhalation, nasal spray, solid dosage forms) for all regions as Global Project Manager

Scientific and Editorail boards:

2006 - International Medical Students' Congress - Novi Sad, Serbia
2007 - International Medical Students' Congress - Novi Sad, Serbia
2006/... - guest reviewer - Electrophoresis
2006/...- guest reviewer - Journal of Chromatographic Science
2007/... - guest reviewer - Journal of Pharmaceutical Science
2007/... - guest reviewer - Journal of Chromatography A
2007/... - guest reviewer - Talanta
2007 - guest reviewer – The Canadian Journal of Analytical Sciences and Spectroscopy
2008 - International Pharmaceutical Students' Congress – Zlatibor, Serbia

- 2008/... - guest reviewer - *Analytica Chimica Acta*
- 2008 - *guest reviewer* - *Analytical Chemistry Insights*
- 2009 - International Pharmaceutical Students' Congress – Zlatibor, Serbia
- 2009 - *guest reviewer* - *Journal of Planar Chromatography - Modern TLC*
- 2009/... - *guest reviewer* - *Biomaterials*
- 2009/2010 - Editorial Board member - *Journal of Theoretical and Experimental Pharmacology*
- 2010 - International Pharmaceutical Students' Congress – Zlatibor, Serbia
- 2010/2011 – Guest Editor for Special Issue – *Analytical Letters*
- 2011 - International Pharmaceutical Students' Congress – Zlatibor, Serbia

Educational and management trainings:

- 2003 - 8th Summer Course on Pharmaceutical Analysis; Italy/Cogne/Aosta
- 2003 - 8th International Pharmaceutical Summer Course, Allergies; Tolmin/Slovenia
- 2003 - Improving the Pharmacy Education; Strasbourg/France
- 2003 - Phytotherapy, Ohrid/FYR Macedonia
- 2003 - Innovative Drugs and Generics, Portoroz/Slovenia
- 2005 - e-Learning, e-Pharmacy; Sinaia/Romania
- 2006 - Drug abuse and synthetic drugs, Ljubljana/Slovenia
- 2007 - Pharmacy Profession, The Hague, The Netherlands
- 2007 - 12th Summer Course on Pharmaceutical Analysis (SCPA), Validation of analytical methods regulatory and practical aspects
- 2007 - Bioavailability of *Echinacea spp.*, Farmedica; Ljubljana, Slovenia
- 2007 - Novel excipients or novel use of known excipients, APV, Berlin, Germany
- 2008 - Powder mixing technology, CfPA, Amsterdam, The Netherlands
- 2009 - 5th Modern Drug Discovery and Development, San Diego, USA
- 2010 - Business English Certificate – University of Cambridge
- 2010 - Global Competence, Kranjska Gora, Slovenia (Novartis program)
- 2010 - Leading at the front line, Kranjska Gora, Slovenia (Novartis program)
- 2011 - General Management Program, IEDC School of Management Bled, Slovenia
- 2012 - Finance for non-finance, Switzerland (Novartis program)
- 2013 - Leading Global Project, Philadelphia, USA (Novartis program)
- 2014 - Business Awareness Program, Bern, Switzerland (Novartis program)

Awards:

- 1996 - Government of Vojvodina award (1996) "White angel award" For the best high-school students
- 2002 - Royal Norwegian Embassy award for excellent study
- 2003 - Royal family Karađorđević award for excellent study
- 2004 - University of Belgrade award for student's scientific achievement
- 2004 - EPSA Lifelong Learning Certificate
- 2007 - Student travel grant for HPLC07 Ghent, Belgium
- 2007 - Poster Award - 4th Congress of Pharmacy of Macedonia with International Participation, Ohrid, FYR Macedonia
- 2008 - Faculty of Pharmacy (Ljubljana) award for student's scientific achievement
- 2009 - Krka Pharmaceuticals (Novo Mesto) award for Ph.D student's scientific achievement
- 2010 - Lek's stars – award for Diversity and Inclusion (Lek Pharmaceuticals, Sandoz group)
- 2010 - Lek's stars – award for FTF project (Lek Pharmaceuticals, Sandoz group)
- 2011 - »Nikola Tesla« award for scientific achievement (Serbia)
- 2011 - »Miroslav Zei« award for scientific achievement (Slovenia)
- 2012 - Lek's stars – award for Nasal sprays (Lek Pharmaceuticals, Sandoz group)
- 2012 - Sandoz Q4 award for management achievement (Sandoz Int., Germany)
- 2013 - »Prometej znanosti za odličnost v komuniciranju« publication of the book *Sodobna fitoterapija*

Scholarship:

- 1998/2000 - Ministry of Education and Sport (national scholarship) – Republic of Serbia

2000/2003 - Ministry of Education and Sport (for creative and talented students) – Republic of Serbia
2003/2004 - Local government of Zrenjanin scholarship – Republic of Serbia
2003/2005 - Ad futura, Science and Education Foundation of the Republic of Slovenia, Public Fund
2005/2006 - Local government of Zrenjanin scholarship – Republic of Serbia
2006/2007 - Local government of Zrenjanin scholarship
2006/2007 - Ad futura, Science and Education Foundation of the Republic of Slovenia, Public Fund

Memberships:

- EPSA
- IPSF
- SFD
- FIP

Hobbies:

- swimming
- skiing
- traveling
- sports shooting
